	<p><u>20.2</u> Members were requested to respond to DEFRA's national Glover Review (<a href="https://consult.defra.gov.uk/land-use/landscapes-review-call-for-evidence/">https://consult.defra.gov.uk/land-use/landscapes-review-call-for-evidence/</a>) <u>Complete</u></p>	
Presentations		
<p>5. Devon Maritime Forum and its Work</p>	<p>Ms Kirstie Pritchard gave a presentation on behalf of Mr Steve Gilbert who sent his apologies.</p> <p>The Devon Maritime Forum (DMF) strives to maintain a strategic voice on maritime issue throughout Devon and provides a partnership and networking opportunity.</p> <p>The DMF has approximately 750 members from 250 organisations with a steering group Inc. PCC, SWW, University of Plymouth, University of Exeter, Devon Wildlife Trust, Royal Haskoning.</p> <p>DMF provides three core services:</p> <ul style="list-style-type: none"> <li>A. Facilitate engagement (next event Sep 19)</li> <li>B. Collective representation</li> <li>C. Information and communication (Inc. monthly newsletter)</li> </ul>	

	<p>Additional services include project consultation.</p> <p>The forums current work focuses on “Blue Health and Blue Action” which aims to link to the DEFRA “Year of Green/Blue Action”.</p> <p><u>Future</u> The forum is actively looking for funding opportunities and looks to grow closer links with stakeholders (including TECF members) via the “Joint Sustainable Seas Strategy”.</p> <p>NIO to reinstate/ensure partnership.</p> <p><u>Action</u></p> <p><u>Question</u></p> <p>What is meant by “hard to reach Stakeholders”? Can you give an example?</p> <ul style="list-style-type: none"> <li>- Smaller business who perhaps don't have the time or funds to participate fully but are likely they have an important contribution to the forum's work</li> </ul>	<p>NIO</p>
<p>6. Marine Biological Association and Beach Rangers</p>	<p>Apologies were received from Mr Guy Baker; the MBA presentation will be re-scheduled.</p> <p><u>Action</u></p>	<p>NIO</p>
<p>Matters for Information and Action</p>		
<p>7. Finances for 2019/20 – confirmation of uplift</p>	<p>NIO presented the revised funding agreed at the last meeting.</p> <p>A number of comments were raised regarding uplifting the funding request and that some councils may be unable to meet this request fully.</p> <p>Additionally, Devon County Council raised that expenditure for the forthcoming year had already been agreed. To provide adequate notice in future years, an action was placed on NIO to release next years requests for the July meeting.</p> <p><u>Action</u></p> <p>It was stressed that the provision of evidence to document the work of TECF is seen as important to the statutory members. The results of the annual survey will be important to evidence the work done by the forum (see Para 8).</p>	<p>NIO</p>
<p>8. Annual survey 2016-2017</p>	<p>NIO(EMS) presented the preliminary findings from the annual survey. A report will follow.</p> <p>Particular attention was drawn to INNS, specifically Pacific Oysters.</p> <p>A large increase in coverage of Pacific Oysters at Cove Head has been observed (from “a few on the ropes” in 2002 to “covering the beach” in 2018).</p>	

	<p>NE advice is being readdressed to support management of such large accumulations. Suggestions are welcomed for potential solutions.</p> <p>Question from DIO: Can toxicology be obtained to ascertain whether they are suitable for human consumption?</p> <ul style="list-style-type: none"> <li>- Possibly, EA can provide water quality results however Food Standards Agency complete flesh analysis.</li> </ul> <p>Question from QHM: Can the area be contained rather than attempting removal?</p> <ul style="list-style-type: none"> <li>- Containment is difficult as they spawn during water temperature rise.</li> </ul> <p>Comment/suggestion from AONB: Studies and lessons learned from France show that large populations could introduce a public health concern due to damage to vessels and feet.</p> <p>Comment from CHC: There is an MBA led project looking to stop spread within the Cattewater.</p> <p>NE to provide further advice – What would NE like TECF to do to help?</p> <p><u>Action</u></p> <p>Question regarding Wrasse Potting? Is this seen as a growing/high risk through the annual survey?</p> <ul style="list-style-type: none"> <li>- Wrasse potting is an IFCA project. A limited number of commercial operators have licences and their impact is being monitored. Request for comment from IFCAs.</li> </ul> <p><u>Action</u></p>	<p>NE</p> <p>D&amp;S IFCA / Cornwall IFCA</p>
<p>9. Draft Management Plan Extension</p>	<p>NIO briefed the outline delivery plan which can be found at Annex <u>A</u></p> <p>QHM thanked NIO for her hard work in producing the revision and asked all member to provide feedback, specifically with evidence on the appendices.</p> <p><u>Action</u></p>	<p>ALL</p>
<p>10. National Marine Park, feedback from workshop</p>	<p>NIO presented an overview of the findings discussed at the NMP workshop held in February which is presented at Annex B.</p> <p>PCC highlighted that the prospectus is not formal consultation but an initial engagement opportunity. The workshops concluded that stakeholders felt that the initial timeline was unachievable and needed addressing. Nio agreed that more work was required to deliver some workable ideas and that formal consultation with relevant authorities was required.</p> <p><u>Action</u></p>	<p>NIO</p>

<p>11. Advanced moorings project update</p>	<p>PCO updated members on the Eco/Advanced Mooring project in Cawsand Bay.</p> <p>PCO highlighted the change in nomenclature from Eco-Friendly Moorings (EFM) to Advanced Mooring Systems (AMS) to reflect that the mooring solution is not only for environmental purposes but are a viable mooring solution in their own right.</p> <p>The Cawsand project is now in its 3<sup>rd</sup> stage:</p> <p>1<sup>st</sup> stage – test the mooring risers with additional buoyancy (part funded by TECF and presented at last meeting by Mr Parry – CSI/NMA).</p> <p>2<sup>nd</sup> stage – test installation of helical screw solution – NE project.</p> <p>3<sup>rd</sup> stage – combine stage 1 &amp; 2 (NMA lead, funded by MCS and Princess yachts, supported by TECF and NE) – currently being tested with two moorings now installed and addressing initial issues including contractual issues with the installer.</p> <p>A further three moorings are due to be installed once issues have been resolved. It is hoped that this can be achieved before the seagrass growing season (spring) to enable a meaningful survey.</p>	
<p>12. TECF officers report</p>	<p>NIO presented her report which is given in Annex C.</p> <p><u>3a. Marine Litter:</u> A “sea bin” will be installed in QAB marina and monitored by Plymouth University. It is hoped that if it is effective more can be installed. NIO(EMS) asked for assistance in identifying locations; QHM suggested PPMLC members should be consulted for information. <u>Action</u></p> <p><u>3.f. Newsletter:</u> The reinvigorated TECF newsletter will be published three times a year. Content should be sent to <a href="mailto:coastal@plymouth.gov.uk">coastal@plymouth.gov.uk</a>. <u>Action</u></p> <p>NIO(EMS) to provide guidance and possible themes. <u>Action</u></p> <p><u>7 Water users leaflet:</u> Any changes, additions or updates to the water user leaflet are requested before 31 Mar 19. <u>Action</u></p> <p><u>8. Developments:</u> Bostons Boat Yard Development: Concern raised by Cattewater Harbour Master regarding a quay wall close to the development. The wall is likely to fall down in due course and will be less disruptive to sort now rather than later. MMO to investigate and advise. <u>Action</u></p>	<p>NIO(EMS)</p> <p>NIO (EMS)</p> <p>ALL</p> <p>MMO</p>
